Motion made by Laura Nettles second by Dennis Hunt to approve the agenda for the meeting. Motion passed 2-0.

Miscellaneous:

Tonnage report on schools:

Dennis Hunt asked Rennie his opinion on how many dumpsters it would take at the schools based on the amount of trips the truck would have to go to empty them. The high school would require the most and it would be at least 4 dumpsters and would have to be emptied twice a week. Based on the amount of trips we currently make to empty the self contains versus the amount of trips it would require to empty the dumpsters and the difference it would make in the wear on the front end truck, fuel, maintenance, etc. Rennie recommended staying with the self contains for now. Dennis recommended no action is needed to change the daily operation of the self contains at the schools.

Dennis Hunt made the motion to adjourn the meeting. Laura Nettles second the motion to adjourn the meeting.

Respectfully
submitted,

Melissa Burton
